### About Our Guest Conductor

**Paul Morton** grew up in southwestern Pennsylvania and started playing the clarinet in the third grade. He continued to play the clarinet through middle school but switched to the tuba when he went to High School. The tuba soon became his instrument of choice. Paul Morton had great musical success in high school, so he auditioned for West Virginia University, where he received a scholarship to study music education.

Mr. Morton attended and graduated from West Virginia University in 1985 with a degree in music education. In the fall of 1985, he became band director of McArthur High School in Hollywood, Florida, and stayed in that position for six years. In 1991 Paul took the position of band director at Driftwood Middle School (also in Hollywood Florida) and is still in that position today. He is in his 37<sup>th</sup> year of teaching and has an average of 340 students per day in Driftwood's band program.

Over the years, Paul Morton's bands have received top honors at band festivals with consistent superior ratings at Music Performance Assessments. Due to the success of Paul's bands, he was elected to become a music adjudicator for the Florida Band Master's Association. He is often hired to travel around the state of Florida to evaluate concert bands, and individual events (Solo and Ensembles).

Paul is an active member of the Florida Band Master's Association, Florida Music Educators Association, National Association for Music Education, American School Band Director's Association, Broward Music Educators Association, and Phi Beta Mu.

Along with his responsibilities at school, Paul is also the Music Director at Plantation Community Church. Paul is married to Zuli Morton and has four children and two grandchildren.
