

PALMETTO RIDGE HIGH SCHOOL

BAND BOOSTERS

We believe that music education is a core to students' education and must be available to all students. The majority of students at Palmetto Ridge High School live in Golden Gate Estates, which is the Northeastern part of Naples, FL. About 54% of our students are on Free/Reduced Lunch. We are reaching out to local businesses, contributors to the arts, corporations and individuals to help fund our program.

The Palmetto Ridge Band Program serves approximately 250 students that develop their skills in musicianship and performance while learning the importance of teamwork, community involvement, and citizenship. Students are encouraged to develop good work ethic and to demonstrate their PRIDE in our program through Perseverance, Respect, Integrity, and Dedication to Excellence.

Every gift matters and promises life-changing experiences for our students. How much you give is up to you. Thank you for your consideration and generosity!
